Racing Cars at Cheadle Royal Site

We've received a number of complaints from residents about cars racing and revving engines during the night time, for extended periods, in the car park at the Cheadle Royal shopping site. This was causing a great disturbance to households living even at some distance to the site.

Councillors have been in touch with Heald Green's Neighbourhood Policing Team and the Enforcement Team at Stockport Council, which were working together on this issue to consider what actions could be taken.

We are pleased to say that following the intervention of PC Zammit the Cheadle Royal site had now taken steps to better secure and manage their site, which seems to have resolved the issue.

We want to highlight the work of PC Zammit to swiftly resolve this issue, and pass on our thanks.
