Begging in Heald Green

We've recently received complaints regarding the issue of people begging near the shops in the village. We have raised this issue with Greater Manchester Police and officers in Stockport Council.

Residents are asked to continue to report this issue to the police via phoning 101, or this can be reported via the link below:

It is important to keep making reports so that police can understand the extent of the problem and if there is any pattern to the issue, this information will help with their response.
