Outline planning permission for up to 278 dwellings on the site known as Gatley Golf Club (application reference number DC/081468) - consultation deadline Monday 4 September 2023

An updated planning application has been submitted to build 278 dwellings on the site of Gatley Golf Club. The application is available to view on Stockport Council's website: <https://planning.stockport.gov.uk/PlanningData-live/applicationDetails.do?activeTab=dates&keyVal=QUHAPDPJ0DB00>.

If you have views about the proposed development, please submit them to the Planning Department at Stockport Council before **Monday 4 September 2023**, so that they can be considered as part of the planning submission.

We've been out over the last two nights calling on homes located near the proposed development site, listening to the views of local residents. For those who weren't in we've delivered a letter explaining how to submit your views, how the planning process works and how our role as councillors fits in this.

This is available here, for anyone else who would like to read it:
