

Heald Green and Long Lane Ratepayers' Association

Watching over the interests of Heald Green ward since 1927

Council Meeting 16 November 2023

At the council meeting Councillor McCann raised the concerns of residents with Chief Superintendent John Webster (Stockport District Commander) regarding the problems of begging and shop lifting in Heald Green.

Councillor Stuart asked the administration about changes that have been brought in to the drain and gully cleaning schedule, which have impacted Heald Green, and asked that in future councillors are made aware of any changes.

The councillors supported two motions, one on the need for better funding for local government and a multi-year settlement to allow greater planning. The other to use UKSPF funding for our district centres, including on community safety measures, such as better CCTV.
